

Family Productions Foundation Inc.

Behavioral Health & Restoration

Healing hearts, minds, and family relationships.

Trauma-informed care, grief support, family strengthening, and restoration for children — the emotional and spiritual healing families need to move forward.

Services under this pillar

Rehabilitation & Restoration

Healing what dysfunction and neglect have damaged.

Structured rehabilitation and trauma-informed restoration help individuals and families move from crisis to stability. We walk alongside participants through recovery, reintegration, and the daily work of rebuilding a healthy family life.

Offerings:

- Individual and family case management
- Trauma-informed counseling referrals
- Recovery and re-entry support
- Faith-guided restoration coaching
- Household stability planning

Family Strengthening

Equipping parents and caregivers to lead with confidence.

Strong families are the foundation of strong communities. Our family strengthening programs build practical parenting skills, communication tools, and healthy household rhythms so every family member can thrive.

Offerings:

- Parenting workshops and coaching
- Marriage and relationship enrichment
- Conflict resolution and communication training
- Household budgeting and financial literacy
- Peer support circles for caregivers

Grief & Grace

Faith-centered emotional healing after loss.

Grief is not a problem to solve — it is a road to walk. Grief & Grace offers faith-centered emotional healing for grieving spouses, children, and whole families, combining pastoral care, counseling referrals, and peer support so no one walks the road alone.

Offerings:

- Grief support groups for spouses, parents, and children
- Pastoral care and prayer support
- Trauma-informed counseling referrals
- Family healing workshops
- Seasonal and anniversary support

Next-Generation Care

Protecting the children inside every family crisis.

When a family is in crisis, the children carry it too. Next-Generation Care surrounds them with mentorship, tutoring, childcare relief for exhausted caregivers, and youth grief circles so they are seen, safe, and supported through the

hardest seasons.

Offerings:

- One-on-one youth mentorship
- Academic tutoring and school support
- Childcare relief for caregivers in crisis
- Youth and teen grief circles
- Safe, structured after-school spaces
