Housing & Re-entry Stability

Meeting urgent needs and rebuilding a stable home.

Rapid crisis response, financial recovery, disaster and displacement help, and the practical essentials families need to regain stable footing.

Services under this pillar

Wraparound Essentials

Meeting practical needs so families can rise.

You can't lead when you're worried about the basics. Wraparound essentials meet urgent, practical needs — food, clothing, hygiene, transportation help, and referrals — so families can focus on healing and long-term growth.

Offerings:

- Food and hygiene distributions
- Clothing and household essentials
- Transportation and childcare referrals
- Emergency assistance navigation
- Referrals to trusted community partners

First 40 Days

Rapid crisis response in the shock of loss.

The first 40 days after a death, layoff, or disaster are the hardest. Our rapid response wraps around your family immediately — a case manager within 48 hours, emergency essentials, help navigating paperwork, and a peer mentor who has survived the same loss walking with you.

Offerings:

- Case manager assigned within 48 hours
- Emergency food, hygiene, and household essentials
- Paperwork navigation (benefits, death certificates, claims)
- Peer mentor matched from a similar loss
- Crisis prayer and pastoral support

Solid Ground

Financial recovery and job-readiness after lost income.

When income disappears, everything else starts to shake. Solid Ground rebuilds financial footing with practical coaching — budgeting, benefits, job readiness, and career pathways — so families can move from surviving month-to-month to standing on stable ground.

Offerings:

- One-on-one financial recovery coaching
- Household budgeting and debt triage
- Benefits and assistance navigation
- Resume, interview, and job-search coaching
- Career pathway and skills-building referrals

Rebuild & Restore

Whole-family recovery after disaster or catastrophic loss.

When a fire, storm, or catastrophic loss displaces a family, recovery is more than repairs — it is rebuilding a life.

Rebuild & Restore coordinates housing help, essentials, long-term case management, and family healing so every household member has a place to land and a plan forward.

Offerings:

- Displacement and housing navigation
- Household re-setup essentials
- Long-term recovery case management
- Insurance and disaster-aid paperwork help
- Whole-family healing check-ins
