BEHAVIORAL HEALTH & RESTORATION

Grief & Grace

Faith-centered emotional healing after loss.

Grief is not a problem to solve — it is a road to walk. Grief & Grace offers faith-centered emotional healing for grieving spouses, children, and whole families, combining pastoral care, counseling referrals, and peer support so no one walks the road alone.

What we offer

- Grief support groups for spouses, parents, and children
- Pastoral care and prayer support
- Trauma-informed counseling referrals
- Family healing workshops
- Seasonal and anniversary support

Outcomes we work toward

- Healthy processing of grief and loss
- Reduced isolation for the bereaved
- Renewed hope and spiritual grounding
- Stronger family bonds through healing
