WORKFORCE & LEADERSHIP DEVELOPMENT

Leadership Development

Empowering families to lead others.

Every family we serve carries a story that can help someone else rise. Leadership development turns lived experience into influence — training program graduates, volunteers, and community members to guide the next family through.

What we offer

- Leadership training cohorts
- Public speaking and storytelling coaching
- Volunteer-to-leader development track
- Faith and character formation
- Ministry and nonprofit leadership prep

Outcomes we work toward

- New leaders serving their neighborhoods
- Multiplied mentorship capacity
- Confident program alumni giving back
- Stronger community leadership pipeline
