HOUSING & RE-ENTRY STABILITY

Solid Ground

Financial recovery and job-readiness after lost income.

When income disappears, everything else starts to shake. Solid Ground rebuilds financial footing with practical coaching — budgeting, benefits, job readiness, and career pathways — so families can move from surviving month-to-month to standing on stable ground.

What we offer

- One-on-one financial recovery coaching
- Household budgeting and debt triage
- Benefits and assistance navigation
- Resume, interview, and job-search coaching
- Career pathway and skills-building referrals

Outcomes we work toward

- Restored household income
- Reduced financial anxiety and debt pressure
- Confidence re-entering the workforce
- A written plan for long-term stability
